

Merriment For Dance Saturday

The "Rattle-Your-Bones" dance will be the scene for fun and merriment tomorrow evening, Saturday, March 22, from 9 to 1 o'clock, in the men's gym.

Turning on the publicity angle full steam, Commissioner of Social Activities Walt Trotter and his committee have been beating the drums madly for weeks on the dance to be held tomorrow evening. A large crowd will be anticipated, so join the fun and frolic by attending.

Dancers will rattle their bones to the melodies of Randy Em-lay. Novelty tickets are being sold with your name imprinted among the spooks on the tickets. Tickets may be pinned to lapels to facilitate acquaintances and also serve as dance cards.

Admission will be 75 cents per couple and 50 cents for stags. This dance will gauge the school spirit on whether dances could be held successfully, and to judge the power of accentuated advertising of events to be held.

First Band Concert Big Success

By VINCENT CHAN

"Music hath charm" was proved last Friday when the Junior College Concert Orchestra, directed by Mr. Lorell McCann, presented their concert at the 1 o'clock assembly. The well-represented audience of students and faculty members was held rapturously to their seats until the last note had ended.

Concert pieces played by the orchestra were the following: "Italians in Algeria," an overture by Rossini; "Bells Across the Meadows," by Ketelby and arranged by Sopkin; "Larghetto," from Beethoven's Second Symphony; "Serenades for French Horn and String Quartet," by Lorell McCann; "La Media Noche," Serenade from Hispania Suite by Stoessel; and "The Syncopated Clock," by Anderson.

It is noteworthy to remark that pieces like Rossini's Overture and Beethoven's Second Symphony were so superbly played by the orchestra, small in size as it is. Mr. McCann suggested that with the many music lovers here, there should be more turnouts for the school's orchestras.

Allowing the ovation time to be appeased, Tony Mercante, A.S.B. president, announced the Thursday noon concert.

Block "S" Dance Will Be Novel

Have you the urge? No? Then why have you peeked into the display case on your hungry way to the "cafe," or followed Finis Jeffers' gay cartoons around the campus?

"Don't suppress that feeling," declared Bolck "S" President Harold Hunter, "ask your favorite doll now, and plan to join the fun at the Block 'S' dance Friday March 28, from 9 to 12."

Promising surprises and prizes galore—this will no doubt be one of the "affairs" of the school season. It will feature the coming-out of the Block "S" back

(Continued on Page 2)

Student Play Still Needs Added Props

Thanks to the interest of the students in the spring play, "January Thaw," a coffee grinder was procured for the production, earning the finder a free ticket to one of the performances of the May presentation.

Miss Faith Fraser announces that the Dramatics department is still searching for an old-fashioned cradle, an ox-yoke, an old-fashioned churn, a warming pan, an old-fashioned spice box, and a portrait of Calvin Coolidge.

Any student who can locate one or more of these items for the play production will be given a free ticket to "January Thaw."

Gallery To Have New Display

Twenty lithographic prints of Paul Whitman are to go on display in the art gallery on Monday, March 31. These prints will be displayed for two weeks.

Lithographs are prints made on paper from drawings done on lithographic stone with grease pencil. Carroll Briggs, assistant art gallery manager, indicates that these prints will be of the finest in this line of art.

Briggs stated that the present display will continue for another week.

Commission Discusses J.C. Spirit

"A little less talk and a little more action" might well be the slogan agreed upon by the commissioners and presidents of the various organizations at the commission meeting held last Tuesday in room 4 at 12:15.

"School spirit, or lack of it" was the apt title given as the reason for the discussion by President Tony Mercante. From then on, everybody was on his own, and ideas flew about as fast and as freely as Carter puts out pills.

Several remedies for the sad situation were introduced by various members present, but opposition seemed to batter them down as quickly as they were introduced.

John Mays, president of the Sophomore Class, thought that a more representative government would aid the solving of the problem. He stated, "Student affairs are not going so well because not enough people are included in them or even know about them."

Walt Trotter, social activities commissioner, fired right back that "the students should tell the representatives what they want." Marge Diaz augmented Trotter's statement by saying "the minutes are in the library and always

(Continued on Page 2)

Election Next Week Important

Next Friday afternoon between 12 and 1 o'clock, the Associated Students of Salinas Junior College will hold the primary in the annual election to choose the outstanding man and woman in the college. The general election will be run off the week following Easter vacation.

Voters should keep in mind that this is not an election based on popularity, but on the basis of outstanding achievement during the past school year.

Winners will receive engraved matching pen and pencil sets. Pens will be awarded to the outstanding journalism student and the outstanding member of the La Reata Staff.

The election will be under the direction of the student body commissioners, who are interested in making this election a huge success.

Student body members are reminded that they must produce their student body cards to be eligible to vote.

THINKING OUT LOUD

By "TOPPER" ARNETT

Much has been said during the past two weeks about the lack of school spirit at Salinas Junior College.

Several meetings have been held to ascertain what path to take in order to solve this perplexing problem. Without bothering to really stop and analyze the situation, students have hurriedly called meetings, and have proceeded to cure a non-existent malady.

Ever since the poorly attended Sophomore meeting of Friday, March 7, at 11 o'clock, this group of students has been "crying wolf."

Naturally, a meeting scheduled at 11 o'clock in the morning will be poorly attended. Especially, when the meeting has to compete with a baseball game and the chance to gain a half a day headstart on the week end.

Coming on the close of basketball season, and the opening of track and baseball season, there is always a lag in school activities such as the college is now experiencing.

It is time we realize even more fully that the student of today is much older than the student of pre-war years. The older student does not care for the rah-rah type of high school exhibitionism.

The interest of this large group of students in the seasonal lag in spirit at the college is evidence that such a condition cannot long endure, and that the spark of school spirit still valiantly burns among the students.

Not enough praise can be given this group of interested students for the interest they have displayed in school affairs, even though they chose to jump the gun.

As long as such interest is shown in school affairs, the spirit of Salinas Junior College cannot fail.

Art Club Plans Trip to Big Sur

Alpha Delta Epsilon president, president, Joe Bragdon, made the announcement recently that a club field trip is planned for May 1, when Alpha Delta Epsilon members will journey to Big Sur.

Yesterday, the group made a field trip to Monterey's Fisherman's Wharf where each member was expected to return with one painting to turn in. A school bus was used to carry approximately 30 J.C. artists to the wharf.

Nationally famous cartoonist Virgil Partch, better known by his signature "Vip" on his magazine cartoons, has been invited to a luncheon, April 19, in the home economics living room. He will demonstrate his cartooning technique and tell the Alpha Delta Epsilon members about his art and gag cartoons.

The home economics department will put on the luncheon honoring the famed cartoonist. Mr. Partch is a regular contributor to Collier's, This Week, the Sunday supplement to the San Francisco Chronicle, and True Magazine. His unique style has earned him a host of fans throughout the nation.

Vets Life Insurance Improved

"Lengthy strides have been made in improving the old (1940) National Service Life Insurance Act," Mr. Jerry Girdner, veterans' training officer, stated today.

"This act, passed by congress on February 21, 1947, extends the time veterans can reinstate insurance," Mr. Girdner declared. Now, term insurance can be reinstated up to August, 1947, without a physical examination, providing the veteran's health has not changed since his discharge. This is done by paying two monthly premiums.

A second amendment provides that any veteran who had active service from October 8, 1940, to September 2, 1945, can make application for national service life insurance.

Commissioners Get Rings

Commission rings arrived in the main office last Monday, March 17. These rings are in the same design as last year's commission rings. The commission voted in favor of having the ring design standardized.

The commission and the student body each pay a share for the commission rings. It is traditional for each year's commission to get these rings.

Lazy Days Ahead For Students

'Tis spring, and with the thoughts of spring come eager, anxious wishes for a few days off from school and studies.

Salinas Junior College students have been granted their wishes and, commencing one week from today, on March 28, they will be as free as the birds until Monday, April 7, when classes reconvene.

This will be the last lengthy vacation before termination of the semester in June.

Lemos Attends Out-of-Town Meetings

John Lemos, S.J.C. president, will attend the first meeting of the local survey committee for the reorganization of school districts on Monday, March 24. This meeting is to be held at the Mission Hill Library in Santa Cruz.

The meeting is being called by the chairman of the committee, Mr. Homer Cornick. Mr. Cornick is the superintendent of schools in Santa Cruz.

The committee is a part of the regional commission on school districts.

March 31 through April 3, Mr. Lemos will attend the annual conference of secondary school administrators which will be held in Los Angeles in conjunction with a meeting of the California Junior College Federation.

Soroptimist Club Gives Scholarship

Any sophomore woman who is graduating and plans to continue her education may apply for the annual \$100 Soroptimist Scholarship. It is a scholarship loan made by the Salinas Soroptimist Club, which sponsors the Salinas Junior College Junior Soroptimists.

Payment is not due until the woman has graduated and has a job, and no interest is charged until then. The loan may be paid back in small installments. Sometimes more than one scholarship loan is made in one year.

Anyone interested should apply to Miss Faith Fraser at once.

BLOCK 'S' . . .

(Continued From Page 1)
into the whirl of school activities. Tony Vyeda's orchestra of Watsonville will furnish the tunes for the dancers' delight.

Theme of the dance will remain a secret, so if you like surprises and a lot of fun—attend the big dance. Admission is \$1 per couple and 75 cents for stags. Tickets are being sold now.

COMMISSION . . .

(Continued From Page 1)
within students' reach—if they are interested they will read them and exert a little pressure if they dislike or like proposals the commissioners make."

Plans for general meetings to be held in front of the entire student body in an effort to get their opinions on subjects was discussed, and most agreed there should be something of this nature tested.

Trotter admitted that "the commission had failed in one of its purposes by not having general assembly meetings for the student body at least once a month."

Mays and Phil Cordrey voiced their opinions on the subject of having entertainment at the meetings. Mays said, "About twenty minutes should be devoted to the business part of the meeting, and the rest to entertainment." Cordrey aired his views on the subject by answering with "lack of spirit is certainly evident if we have to resort to entertainment to keep our students interested in our school affairs."

Suggestions for a Rally Committee were offered in view of the fact that the Pep Club fizzled out. Dick Heim, Alpha Gamma Sigma president, hoped the presidents of the clubs should be included in the set-up. He stated, "Since these organizations are an important part of school and represent a majority of the students they should not be left out."

The final note was set by Earl Arnett, vice-president, and Don McDermed, yell leader, who exchanged verbal blows on whether the student body did show enough spirit, and are we raising a big hullabaloo for nothing, as Arnett suggested, or "we have definitely shown a lack of spirit in our contests, and trying to get up and lead yells with nobody to help is certainly an indication that something is wrong," as McDermed said.

PIANO RECITAL SUCCESSFUL

Miss Gertrude Lowe's piano students gave a short piano recital at 12:20 o'clock, Tuesday, March 18, in room 16.

First on the program was Song of Life by Daniel, played by Ouida Bishop; Solfeggietto by C. P. E. Bach, was presented by Mary Galpin; Bliss' Tumbleweeds was played by Barbara Timmins.

Caravans by Meade, played by Betty Head; Mi Chiamano Mimi from La Boheme by Puccini, was sung by Rosemary Sutherland; El Viejo Castillo Moro by Chavarri, was played by Jane Bar-rich.

Closing the program was Fantasy No. 3 by Mozart, played by Dolores Johnston; and Clair de Lune by Debussy, Dolores Storment.

Miss Lowe announced that there would be another recital sometime in the near future.

The recital was well attended by J.C. music enthusiasts.

COMEDY GOES INTO FINAL REHEARSALS

Jaysee dramatists are moving into the last month of rehearsal. The curtain will rise on the play, "January Thaw," May 1.

"January Thaw," written by William Roos, is based upon the novel by Bellamy Partridge. The play is sparkling with frequent and explosive chuckles. It is a very fast moving play, with gag after gag and wisecrack after wisecrack. It is predicted it will keep the audience laughing until the very end.

Jacquelyn Anderson plays the part of Mrs. Gage. As Mrs. Gage, she is in her early forties, vivid and quick. She is the wife of Herbert Gage, played by Holt Wood. Mrs. Gage is also the mother of three children. The eldest of her daughters, Barbara Gage, is played by Barbara Barnett and the two youngest, Paula and Sarah, are played by Nancy Watson and Carmen Mercante.

Grover Grant plays the part of Matt Rockwood, the son of Jonathan and Mathilda Rockwood, played by Jim Clark and Joan Waite. The Rockwoods are always having trouble over Matt because of his girl friends. His family is always fussing over him but on the whole, Grover does a good job of acting.

Bette Marshall plays the part of the Gage's maid, Frieda. Frieda is a solid but youngish woman. When the Rockwood family comes to live with the Gages, the trouble begins when Frieda finds out that Matt Rockwood is living there.

Bob Bushta plays the part of an inspector and is called in to find where Barbara Gage disappeared.

Others in the cast include: Uncle Walter, Bill Holm; George Husted, John Condon; and Mr. Loomis, Earl Arnett.

Help Wanted

The following is printed for students interested in supplementing their income. Students interested in any of these jobs should see Miss June Handley in her office.

Bookkeeping job in Salinas. Bookkeeping necessary, typing and shorthand desirable. Excellent hours.

Girl wanted for several hours of housekeeping two or three days a week. Located close to college.

Yard work one block from college mowing lawn. Two hours a week.

Girl to work as a stenographer, five days a week, with good pay.

Counselor's job in Big Basin Park, for girls only, during the summer. Pay is room and board and \$5 a week.

CAMPUS CLOTHES

By
PATTIE WEATHERBIE

When it comes to "a-wearing of the green," Saint Patrick's Day spirit wasn't lacking from the looks of things . . . Marion Pierce turned out in an wool jersey tailored dress of Kelly green, a shade that couldn't be brighter. Another of the same flashy shade was the cardigan sweater worn by Claudia Fielding over a play-it-up gray skirt. For the most outstanding green combination, orchids go to Pat Smythe for his all-wool sport slacks in green and bright blue CHECKS . . . a wee bit Irish, perhaps?

In the darker shade of green, Edith Beck wore a dark gray green handknit cardigan over a black and white checked skirt and a white blouse with a Peter Pan collar. Over a dark green skirt, Jean Feliz added a dark green (the same shade) and fuschia plaid sport shirt worn out, a very comfortable and attractive mode of dress.

Green in the lighter, brighter shade and a bit of "blarney" could easily describe a bright chartreuse rayon sport shirt worn by Earl Dillingham, one of our athletes. Another shirt in the same style and color is one being worn by Dan Hayes . . . you just can't miss those shirts!

Looking especially trim is Betty Holton in a light soft green wool gaberdine casually tailored suit with a harmonizing yellow-green slip-on sweater . . . very lovely colors for a brunette.

"Dad" Bowen, the jolly husband of Mrs. Bowen ("Cookie") in the caf, supplied the faculty with home-grown green clovers of the extra large variety for the occasion . . . but apparently they are all three leafed!

Although he is entitled to a "pinch," John Light looked very well anyway in a light creamy yellow-beige V-necked sweater . . . a "pinch" is the punishment for those who aren't wearing green, in case you didn't know.

Contest Offers Trip to Holland

Any student of a college or university in the United States may enter an essay contest in order to win a free trip to the Netherlands. This contest is given by the Centennial Commission, Holland, Michigan, to celebrate their commemoration of Dutch immigrants. Full particulars may be learned from the bulletin board outside room 7.

Miss Tibbitts, Gregory Tell Engagement

Engagement of Miss Virginia Tibbitts and Mr. Payson Gregory was revealed at a dinner party at the Resetar Hotel in Watsonville Saturday evening, March 8. Guests learned of the betrothal when they found the names of the couple on opening the double hearts which were attached to place cards with red satin bows.

Miss Tibbitts, daughter of Mr. and Mrs. R. H. Tibbitts of Green Valley, is a senior at the Watsonville High School. She is the organist at the Watsonville First Baptist Church.

Mr. Gregory is attending Salinas Junior College, where he is president of the Westminster Club. He is the son of Mr. and Mrs. Kenneth Gregory of Watsonville. He served in the navy for two and a half years as a gunner on a torpedo bomber.

Plans for the wedding are indefinite.

ON OTHER CAMPUSES

Eight Reedley College students are planning to attend the annual Junior College Conference which will be held at the Visalia College for students of all colleges in the state of California. Delegates from different junior colleges will head the various discussions over the two-day affair.

School board members of Santa Monica reviewed and approved building specification for Santa Monica Jaycee as they gave the "go sign" on the new stadium at a recent meeting. In order to improve the lighting facilities on the new stadium, a proposal was made to increase the length by 40 feet. This proposal was accepted unanimously.

AGS Meets Monday

Alpha Gamma Sigma will meet in room 2 next Monday afternoon at 3 o'clock. Speaker at the meeting will be Mr. Stuart Dufour, journalism instructor. Important business topics will be taken up also.

We want to know if what a math student does after class is after-math.

J.C. Cafeteria Overcomes Postwar Food Shortage

By ALICE MACARTNEY

Approximately 725 students trek hungrily into the J.C. cafeteria daily, probably unaware of the time, worry, and preparation that goes into the making of their mid-day snacks.

Despite the great increase in prices, especially beef, the cost of a hot plate is not expected to rise. Food experts do not predict any let-up of food prices until fall.

From \$500 to \$650 is spent weekly for the food consumed by the J.C. students. In addition to food cost are salaries of the cafeteria workers.

A change in the flavor of the root beer has been noted lately. This is due to the fact that the cafeteria is no longer able to make their own syrups because the sugar allotment has been cut down recently to one third of

the usual amount. This is believed to be only temporary, however, so commercial syrups will not be necessary for long.

The cafeteria staff maintains an active eight-hour day with breakfasts beginning at 7:30 in the morning and mid-afternoon snacks ending at 4:30 o'clock. Aside from the adult workers, three regular students and a few pinch hitters are on hand to serve the students.

Occasionally students overlook the signs in the cafeteria asking that they please remove their dishes. It would save the regular staff a great deal of time if the students would be more thoughtful about abiding by the signs.

Mrs. Ethel Walker, busy cafeteria manager, states, "I have never seen a better group of students. They are very patient and co-operative."

Home Ec Students At Chico Meeting

Five students from S.J.C. are attending the home economics convention at Chico State College this week end. They left after school yesterday and will return tomorrow night.

Attending the meeting are Betty Sievert, Pauline Person, Carol McCann, and Bertha Black, accompanied by advisor, Mrs. Hope Baxter. Former S.J.C. student, Mrs. Don Stewart (Gerry Messick), is taking the women in her car.

The convention at Chico is for all colleges and universities in Northern California; similar home economics conventions are being held all over the nation. Meetings will be discussions of the various phases of home economics. The women from Salinas will lead a discussion on family relations. They will also give a skit written by Charlotte Dawson and Pattie Weatherbie.

The group plan to stop at the University of California at Davis, where the faculty head, Dr. Jean Warren, will show them through the department. They are staying at Richardson Springs, summer resort, during the convention.

Husband: I am going to discharge our chauffeur. Four times recently he almost killed me.

Wife: Oh, give him another chance.

Alumni Meet in April, Announces Ada Bassi

Miss Ada Bassi, secretary to President John B. Lemos, announced that another meeting of the Alumni Association is being planned for some time in April. The committee to plan for this meeting has not yet been decided upon.

The alumni held their first postwar dinner party at Walker's, in Salinas, on February 28. After the dinner, the alumni were invited to attend the Annual Sophomore Dance as guests of the Sophomore Class.

DeBord Gives Stag Party for Players

Last Friday night, Philip DeBord was host at a stag party for S.J.C. baseball players. The group played bridge and pinochle at "Flip's" home in the woods near Pacific Grove. Main event of the evening was a wrestling match between Charlie Mornard and the host's huge bear rug. It is reported that the bear "threw" Mornard.

Present at the party were: Don Napoli, Charlie Mornard, Phil Cordrey, Bud Lucido, Tom DeBord, Finis Jeffers, Frank Stone, Ernie Wool, Topper Arnett, and Philip DeBord.

Father slipped upon the ice Because he could not stand Father saw the Stars and Stripes We saw our Father land.

INQUIRING REPORTER

Where Should Prom Be?

QUESTION: Where do you think the Spring Prom should be held?

Stanley Scott, business administration student, Santa Cruz:

Rio Del Mar is the best place I know.

Martin Pray, liberal arts, Salinas:

By all means, the Del Monte Lodge. It is centrally located, has excellent atmosphere, and there are plenty of ice cubes and golf for the people who want to start early. Also many kind courteous police officers to direct traffic. Rates on request (a paid commercial).

Joseph Herson, pre-medical student, Salinas:

Being a newcomer to this particular area, I am not too familiar with any one place that may be ideal for the spring dance. However, I have heard a great deal about Rio Del Mar—it sounds like a very likely location.

Pat Silacci, commerce student, Salinas:

I think Asilomar in Pacific Grove is a nice place.

John McPike, business administration, Pacific Grove:

Rio Del Mar has got it! It has two bars to choose from and if you'd rather, a good place to dance. That is where they held the Winter Ball, you know.

Neil Dow, pharmacy student, Monterey:

Rio Del Mar—where else can you drive 100 yards and park?

Jim Gillette, business administration student, Monterey:

If my 65 comes in, Rio Del Mar is all right with me!

Frances Munoz, language student, Watsonville:

I am afraid that the Rio Del Mar gets my vote but only because Cademartori's, on the highway to Monterey, has no dance floor. However, Rio Del Mar would be convenient for boys coming from the peninsula to Santa Cruz on that evening.

James McCutcheon, business administration student, Carmel:

Del Monte Lodge! Because the Prom is probably the biggest social event in the season, it should be held at a place everyone agrees is the nicest around. It will be expensive, but it will be worth it at a spot with all the atmosphere that the lodge has. Also, it would be wonderful if we could have someone like Benny Goodman to help out with the music.

Panthers Cop Six Inning Practice Tilt From Buffet

In an abbreviated six-inning practice tilt, the Salinas Junior College baseball nine extended their winning streak to four straight, as they blasted out a 6-1 decision over the Salinas Rodeo Buffet.

With Jim Prien holding the Buffet men in check the entire game, the Panthers calmly hacked away at "Lefty" Walker to score a fairly easy win. Two three-run splurges in the third and fifth were the Panthers' margin of victory.

Johnny Treece poked out a round tripper for the losers in the top half of the third to start the scoring. The junior collegians bounced right back with a three run outburst in their half of the third. Clarence Twitchell, Don Napoli, and Charlie Mor-nard slashed out hits which combined with a walk and a sacrifice fly produced the trio of runs.

Frank Stone, who had a perfect day at the plate, collecting three hits in as many trips to the plate, cracked a single to left with the bases loaded in the fifth to add two more counters for the Panthers. Napoli had previously scored in the same canto, after bashing out a triple to left center.

Prien scattered out five hits and was afforded fine support by the locals. Napoli and Stone were the batting heroes, garnering five of the Maroon and Gold's eight base knocks.

LOCALS BEAT HOLLISTER JC NINE, 12-1

Hammering out eight hits for 12 runs, the Salinas Junior College baseball nine garnered a convincing 12-1 victory over the Hollister J.C. Haybalers on the junior college diamond last Thursday.

With Hollister committing several errors in crucial spots, the locals had little difficulty in mauling the Haybalers. All of the Panthers' first five tallies were of the unearned variety, as they capitalized on the Hollister misplays.

Don Napoli clouted his second home run of the season to give the Panthers their first earned run in the fourth. Hollister proved pretty feeble at the plate, getting two hits off "Topper" Arnett and one off Stan Miller. Arnett was in trouble in a couple of instances because of wildness, but he settled down long enough to retire the side in each case. Miller allowed but three men to reach first and that's as far they got.

Frank Stone and "Topper" Arnett were the only Salinas batsmen to garner two hits. Frank Garnero, who at present leads the Panthers in runs batted in, tripled with two men on to display again his effectiveness in the clutch.

Hollister and Salinas will play a return game today on the Hollister diamond. Coach Dominic Campolo is anxious to see how his team will do against tougher competition, but until then he hopes his squad will not get over confident in these practice tilts.

Frosh Down Sophs to Take Interclass Meet

Taking first place in eight of the thirteen events, the Freshman Class handily downed the upper classmen, 72-39, in a renewal of the traditional interclass track and field meet. Leading point-getter for the frosh was Arnold Hiserman with 11, while Wally Smith tallied 14 for the sophs.

Showing fine early season form Charles Lewis of Santa Cruz topped the interclass high jump mark by a half inch as he cleared the bar at 5 feet 11½ inches. Also topping interclass records were Sam Garcia of Salinas and Al Ball of Santa Cruz. Garcia topped the high hurdles in 8.5 seconds to clip a half second off the record. Ball eclipsed the discus mark by a foot with a 107-foot toss.

Five points were given to first place with three and one going to second and third place.

100-yard dash—Stivers (S), Hiserman, Arnold (F), Garcia (F); 10.2.

180-yard dash—Hiserman (F), Stivers (S), Fruden (F); 18.5.

440-yard run—Filson (F), Currier (S), Halward (F); 54.

880-yard run—Meese (F), Riordan (F), Smith, Ross (S); 2:21.2. Mile run—Fourcade (F), Smith, Ross (S), (no third); 5:34.

High jump—Lewis (F), Hiserman (F), Webb (F); 5 feet 11½ inches.

Broad jump—Smith, Wally (S), Wright (S), Halward (F) 19 feet 11 inches.

Pole vault—Burns (F), Light (F), Perez (F) (three-way tie); 10 feet 6 inches.

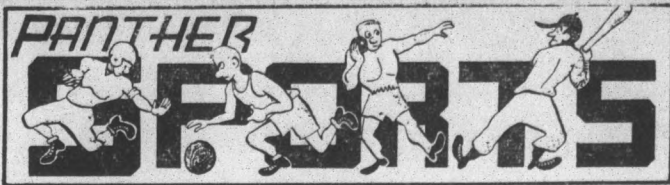

Shotput—Cavanah, James (F), Garnero, Chet (F), McPike (F); 39 feet 9 inches.

Discus—Ball (S), Smith, Wally (S), Coffey (F); 107 feet.

Javelin—Dillingham, Dean (S), Dillingham, Earl (F), Smith, Wally (S); 137 feet 3 inches.

60 yard high hurdles—Garcia (F); 8.5.

140-yard low hurdles—Smith, Wally (S), Hiserman (F); 17.5.

Trackmen Oppose S.F.J.C. Today; Netsters Travel

A set of Salinas Junior College athletic teams, Coach Adams' track squad and Coach G. Darwin Peavy's netsters, go into action over the week end. The track team will engage San Francisco J.C. in a dual meet at 2 o'clock this afternoon,

while the tennis squad travels north to meet Stockton J.C.

The S.J.C. cindermen do not stack up as a sure thing in today's event for the simple reason that they showed nothing suggesting balance and depth in the recent interclass meet. Charles Lewis should be a point-getter in the high jump, while Sam Garcia and Al Ball are anticipating digits in the high hurdles and discus respectively. Ken Stivers looks like a threat in the dashes along with Arnold Hiserman.

Little or nothing is known of San Francisco's chances today, but either way it goes, the meet should be of interest to everyone who appreciates thrilling track and field events.

The tennis team has been weakened considerably with the loss of second man Bill Johnson through eligibility difficulties. Still, the Panthers maintain a strong five-man team, headed by George Gossler, Coach Peavy's number one man.

The squad showed up very well against San Luis Obispo J.C. last week, Johnson, Roy Marnach, Ron Bebb, and Don Prince all winning their matches with little strain.

TENNIS TEAM DOWNS SAN LUIS OBISPO

In their initial start of the 1947 season, the Salinas Junior College team downed the San Luis Obispo J.C. squad last Saturday afternoon on the junior college courts.

Both men and women participated in the nine matches, with the locals taking an impressive seven. The Panthers played without the services of their ace, George Gossler, but despite this fact, found the going pretty easy in most cases.

Results of the matches are as follows: Bill Johnson (S) defeated Bob Metz (SLO), 6-3, 6-3; Ray Marnach (S) defeated George Skance (SLO) 6-0, 4-6, 6-4; Ron Bebb (S) defeated Wes Hodgson (SLO), 6-8, 6-1, 6-3; Don Prince (S) defeated Gordon Porter (SLO), 6-1, 6-1; Beulah Chong (SLO) defeated Ruth McBride (S), 6-3, 6-3; Marj Hicks (S) defeated Susan Pool (SLO), 6-4, 6-4.

Betty Bem and Janet Petersen (S) defeated Louise Marshall and Susan Pool (SLO) 11-9, 6-4, in the women's doubles. Ruth McBride and Bill Johnson (S) defeated Phyllis Talbot and Bob Metz (SLO), 6-1, 11-9, in the mixed doubles. Wes Hodgson and Gordon Porter (SLO) defeated Manuel Domingo and Ray Enos (S), 6-2, 9-7, in the men's doubles.

This week, the Panther netmen journey to Stockton to meet the Tigers in their first conference start. The locals' first home match is against the Sacramento Panthers immediately following Easter vacation, April 12.

Work's Cop Intramural Title

The intramural basketball title is firmly in the possession of the Work's Lumberjacks as a result of their play-off victories over the Monterey Dons and Grant's Smooth Five. The Lumberjacks took the measure of the Monterey quintet, 18-16, for second half honors, and then downed Grant's, 31-28, in a play-off of an early season tie for the first-half leadership.

A Pacific Grove - Monterey grudge battle was the theme of the Work's tilt with the Dons. The P.G. boys amassed an early 11-1 lead and were not headed until the second half when the Dons took a brief 13-12 lead. Dan Harris and Jim DeLorimier scored seven and six points to lead the winners, while Norm Nuck tallied five for the losers.

Despite a brilliant performance by Ken Drury, the Grant's squad fell victim to the smooth attack of the Lumberjacks. Drury turned in a fine floor game in addition to caging 13 points, high for both teams.

Intramural Standings For Second Half

National League	W	L
Don's Juans	4	0
Grant's Five	3	1
Ramponi's Ramblers	2	2
Smith's Levelers	1	3
Burns Bums	0	4

American League	W	L
Work's Lumberjacks	4	0
Mitt's Wolves	3	1
Stivers'	2	2
Canepa's Pickers	1	3
Juster's	0	4

By BILL THACKER

The recent release of the 1947 football schedule for Salinas Junior College gives evidence of another uphill fight on the part of Coach Adams' gridsters to attain supremacy in the N.C.J.C.C. "A" division race.

The Panthers open their season with a set of so-called "breathers," then swing into league action by encountering Stockton, Modesto, Santa Rosa, Sacramento, and San Mateo. After one more practice affair with Hollister J.C., Salinas winds up a rugged sked with San Francisco and Menlo.

With a slate like the aforementioned, the S.J.C. squad will need every available letterman from this year's squad, over and above the cream of the C.C.A.L. high school crop. If the deal can be put across, Salinas will do well enough to avoid embarrassment; if not, look for another disappointing football season.

The S.J.C. golf team will taste big time competition twice in April when they engage the San Jose State team in a home-and-home duo of matches. The Spartans boast such name golfers as Eli Bariteau and Bob Harris, both big reputation golfers in Northern California link circles.

The home match with San Jose will be played over the Del Monte course on the Monterey Peninsula, locale of some of the best, and toughest, golf layouts in the nation.

A successful intramural basketball season was wound up this week as Work's Lumberjacks won their two playoff games and the championship. The league was a marked success and fun was had by all, both the players and spectators. A fine tribute to conscientious work of Mr. G. D. Peavy.

Handley Posts Golf Schedule

Announcement of the Salinas Junior College golf schedule was made today, with several tentative matches still in the process of being booked.

Coach June Handley stated the Panther golfers will first meet San Jose State in a home-and-home engagement, there, April 10, and here, April 17.

The schedule, as it stands, is as follows:

April 10—San Jose State, there. April 17—San Jose State, here. April 24—Modesto Junior College, there.

April 26—Marin Junior College, here.

May 9—Modesto Junior College, here.
